Key State Initiative

Idaho developed a strategic plan to support their State Plan on Aging. The strategic plan goals are:

1. Support Older Idahoans to live independent and healthy lives in the communities of their choice.
2. Promote safety, self-determination and dignity for seniors and vulnerable adults.
3. Champion an effective and efficient community-based aging service network.

Information on the State's strategic plan, Plan on Aging, and other resources are available at: <https://aging.idaho.gov/resources/icoa-administration/>
